a. There is to be no U.S. imprint or credits on any of the books published in the European edition.

b. The 1 September deadline should be emphasized to the publisher.

c. We desire to know the name of the European publisher with whom [] is in contact.

d. No commitments are to be made at this time. We desire to review any contract prior to signing.

5. In response to our query regarding publication rights and legal complications, [] advised that he and the attorney would explore this further and attempt to come up with possible protective devices.

7 July 1958

MEMORANDUM FOR: The Record

SUBJECT: AEDINOSAUR Meeting - 7 July 1958

1. The following persons met on 7 July 1958 in the office of the Chief, Commercial Staff to discuss the most recent developments regarding the second phase of subject project:

[] Chief, Commercial Staff

[] SR Division

[] WE Division

[] Commercial Staff

2. [] has established contact with a European publishing concern and has requested immediate authority from the cleared attorney to negotiate a contract along the following lines:

a. European publisher to publish 10,000 copies at approximately [] per copy.

b. 4,000 of these copies to be sold to us at a special price.

c. The remaining 6,000 to be sold on consignment, with us receiving [] per copy as sold.

d. The plates and rights would remain ours upon completion of the European edition.

3. It was decided that the above proposal was not desirable, and that the attorney should present our previous proposal (see Memo for the Record 3 July 1958) to the publisher when he meets with him today. The original proposal should remain unchanged except that we now desire to buy 4,000 copies at publisher's price to distributors, rather than 6,000 copies at a "discounted price."

4. [] was contacted by telephone and requested to pass the following to the attorney for his action:
