**Attachment to  
Memorandum of  
10 September 1958**

The following is the agreed plan of action which we desire [redacted] acting on our behalf, to follow in his dealings with [redacted]

1. Point out to [redacted] that nothing can be accomplished toward settlement of our relationship until all copies of the reproduction proofs now outstanding are recovered and brought to [redacted] office. We know one copy is now at [redacted] and it has been our understanding that a fourth copy has been secured in a safe deposit vault in New York City.
2. Certain points require rather stern negotiation with [redacted]. Firstly, we would like him to justify to us his eligibility for the payment provided for in paragraph 10 of the basic agreement with him. We have never received a report on his activities in this respect and have no basis for justifying this substantial payment. (For your guidance, it is our informal opinion that [redacted] did little or nothing in pursuit of this requirement.) Secondly, the invoice from the [redacted] dated 10 July 1958, billed for [redacted] Our contract with [redacted] called for [redacted]
3. It is our desire that it be made completely clear to [redacted] that we are aware of his untrustworthy behavior during our relationship, and that we feel that we are being most lenient in our final dealings with him.
4. It is requested that, after completion of the above steps, [redacted] draft a settlement agreement to cover the final settlement with [redacted]. This agreement should contain the standard provisions pertinent to such an agreement and a special provision stating that [redacted] has not and will not enter into any relationship with any persons at any time involving [redacted]. It is requested that a draft of this agreement be provided the clients for review prior to execution.
5. The approved agreement and necessary funds will be provided to [redacted] so that he may arrange the final settlement with [redacted]
